Présentation de l'éditeur

Did you know that premonitory signs exist and that we can work with Angels? This book, a bestseller in more than 20 countries, has already helped thousands of people understand signs in everyday life. "How to Read Signs is a book that have changed my life..." Patrick Thomas, Retired Navy Officer of France, Radar Specialist (France) "Examining the symbolism of events opens the door for me onto a universe that is both spiritual and material." Jean Morissette, Lawyer (Canada) The rediscovery of the Knowledge of signs is a philosophy destined to mark the third millennium. Because of its universal character that is accessible and compatible with any spiritual, philosophical or religious background, this ancient Knowledge can answer both today's questions and those of tomorrow. Through simple stories of everyday life, you will learn how we can work with Angels and how to decode the symbolic language of signs and coincidences. You will discover that we can interpret concrete situations just like a dream. In this major work on sign interpretations, you will discover that we can develop a personal, one-to-one relationship with Destiny. Biographie de l'auteur

Kaya and Christiane Muller, professors, international speakers and bestselling authors, lecture extensively all around the world on the understanding of Angels, signs, dreams and symbols in Everyday Life. They have published many bestsellers in different languages on the subjects that have become reference in more than 20 countries. They are founders of the non-profit organization and Publishing House, Universe/City Mikael (UCM), through which they are devoting their lives to the teaching of The Traditional Study of Angels - Angelology, the interpretation of signs, dreams and symbols. They are experts in these fields and they are often invited to participate in many TV and radio programs. They are also very often interviewed by journalists to share their knowledge and research. Through their common work and devotion to helping humanity, they are breathing new life into one of the world's most ancient traditions.
